

## Primary sector | food

### Raw material processing/ production

#### Farming | agriculture

##### Plant production

wheat, corn, soy, palm oil, ...

Fruits & vegetables, garden

##### Animals

Meat

Fishery

By-products | milk, eggs, ...

Water

#### Mining

Chemicals

Energy | oil, gas, ...

Metals

Minerals

Rare earth elements

Forestry

## Primary sector | shelter

### Infrastructure

Power | electricity generation

Telecom, energy, sanitation, ... grid & distribution

#### Construction Buildings

housing, apartments, ...

Huge: Rail | road | airport | port, ...

Buildings

Factories

Businesses

Energy, telecom, sanitation facilities

#### Production lines

## Secondary sector

### Processing industry | factories | production workers

#### Human

Food & drink

Clothing & shoes

Decoration

Cosmetics

Pharma

Medicines

Health products

#### Materials

Steel, glass ...

Plastics, ...

Packaging, paper, ...

Cabling, ...

Textile, ...

Defense

Guns, ...

#### Electronics

Computers, washing machine, refrigerator, ...

Semiconductors, chips, ...

Industrial machines

Work gear

Other stuff...

#### Machine production

Logistics: cars, trucks, planes, ships, ...

Farming, agriculture | tractors, ...

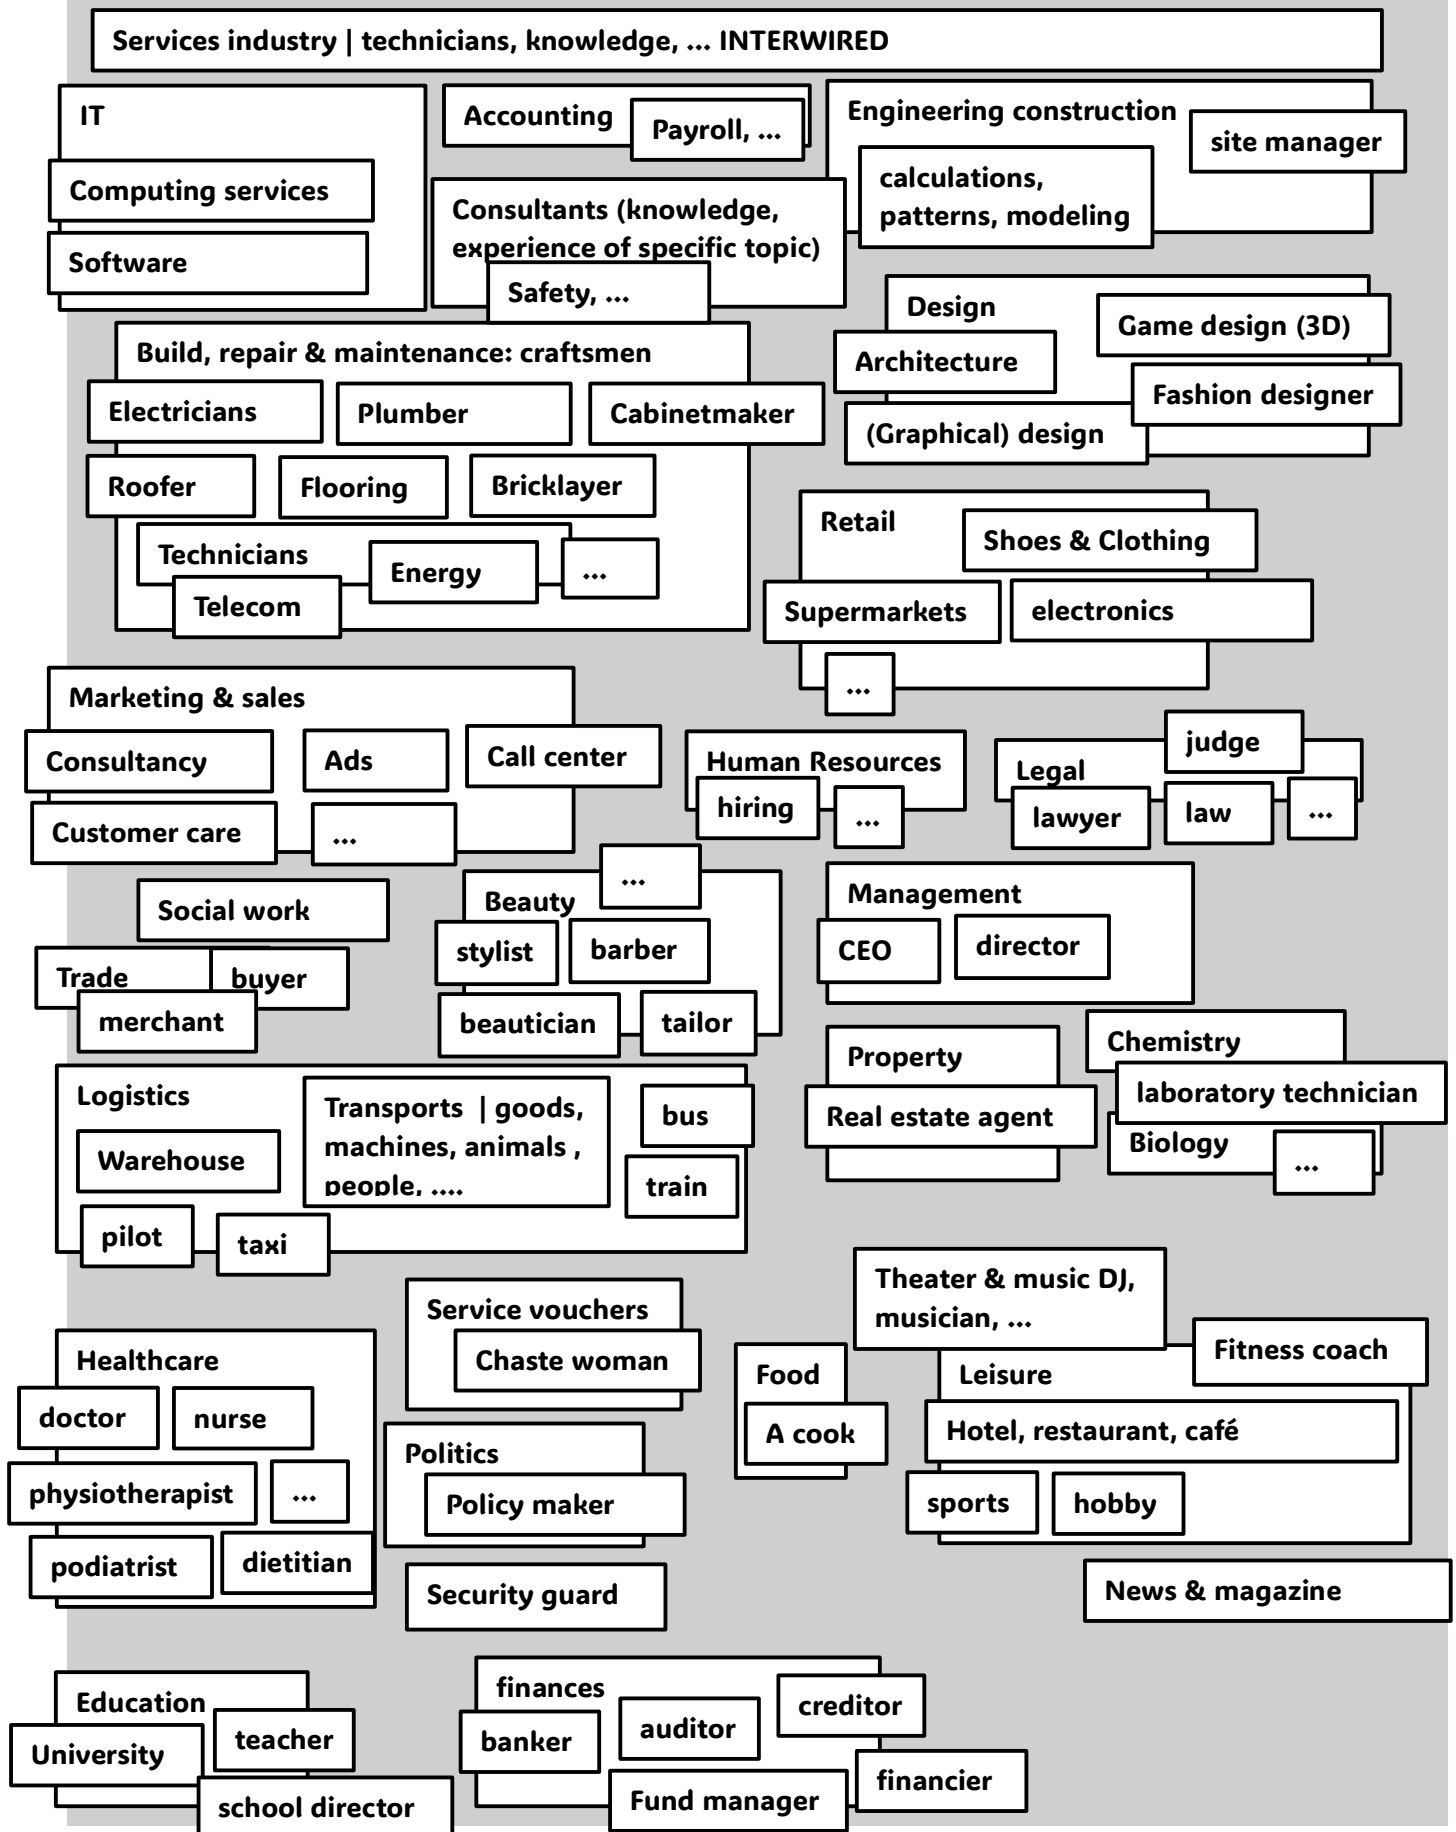

Construction machines

Robotics

Parts of other products | gears, ...

...
